## STATUS REPORT (June 17, 2019)

Defendant Andrew R. Wheeler, Administrator of the United States Environmental Protection Agency (“EPA”), files this status report pursuant to the Minute Order issued on February 15, 2019, and represents as follows:

On August 27, 2018, EPA published a notice of proposed rulemaking proposing to affirm its October 17, 2017 BART final rule, and providing an opportunity for public comment on the proposal and other specified related issues: Promulgation of Air Quality Implementation Plans; State of Texas; Regional Haze and Interstate Visibility Transport Federal Implementation Plan: Proposal of Best Available Retrofit Technology (BART) and Interstate Transport Provisions, 83 Fed. Reg. 43,586 (Aug. 27, 2018). EPA held a public hearing in Austin, Texas on September 26, 2018 to take comment on the proposed rulemaking. Eight individuals representing environmental groups, industry, and the Texas Commission on Environmental Quality provided

testimony. The public comment period on the proposed rulemaking closed on October 26, 2018. EPA received approximately 1500 comment letters and emails from citizens, environmental groups, industry, and states.

Since EPA's last Status Report filed on April 15, 2019, EPA has been developing responses to comments it received on the notice of proposed rulemaking. In addition, EPA staff have conferred to discuss key issues raised in the comments. EPA is continuing to brief managers in the relevant regional and headquarters offices of the agency to reach decisions on those issues.

EPA proposes filing an additional Status Report in 60 days.

Plaintiffs represent that they reserve all rights as well as prior positions taken in this matter.

Respectfully submitted,
